1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John S. Artz on November 29, 2004.

The application has been amended as follows:

In claim 26, line 4 --plastic-- has been inserted after "said" and "portion" has been deleted and on line 6 "off" has been changed to --of--.

In claim 44, line 4 --plastic-- has been inserted after "said" and "portion" has been deleted.

2. Per the interview of November 29, 2004 it was agreed to amend claims 26 and 44 as above because the term "portion" lacked proper antecedent basis. The spelling of the word --of-- in claim 26 was also corrected.

3. The following is an examiner's statement of reasons for allowance: the prior art references of record fail to teach the features of the shell, facemask and chinstrap, combined with either the mouthpiece having vent openings or the visor secured to the shell.

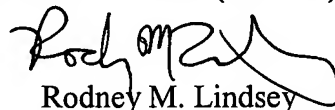

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
